

Host Employer Incentive Program

**Master
Builders
Association**
New South Wales

An exclusive Master Builders program to build the next generation of Tradespeople. Open to building and construction host employers working in residential, commercial residential, apartments, social housing, aged care and nursing home construction.

IN PARTNERSHIP WITH HOMES NSW

QUARTERLY INCENTIVE PAYMENTS

Junior/Adult Apprentice

UP TO

\$5,500 per Quarter

credited every quarter, while active.

Up to \$88,000 total over 48 months

Final payment marks completion of apprenticeship. Build your future workforce from the ground up.

48 month qualification

MBA Exclusive Adult Apprentice

UP TO

\$8,000 per Quarter

credited every quarter, while active.

Up to \$80,000 total over 30 months

Highest quarterly rate. Mature age apprentices bring reliability and life experience - productive from day one.

30 month qualification

Trainee

UP TO

\$5,000 per Quarter

credited every quarter, while active.

Up to \$20,000 total over 12 months

Shorter commitment. Trial the program, build your pipeline, and convert top performers into full trade apprentices.

12 month qualification

HOW IT WORKS

01 We recruit

Master Builders searches, screens, and places the right apprentice for your business. No advertising costs.

02 You host

The apprentice works on your sites. You provide on-the-job training and supervision.

03 We support

Dedicated Master Builders field officers support both you and the apprentice.

04 You get paid

Quarterly credits direct to your MBA account while the apprentice is on site. No invoicing required.

WHAT EMPLOYERS NEED TO KNOW

✓ No lock-in, if an apprentice leaves, payments stop. Nothing owed, nothing clawed back.

✓ Apprentices receive direct support from Master Builders - tools, licensing, cost-of-living assistance - reducing pressure on you.

✓ Master Builders manages all training administration, apprentice compliance, and registration on your behalf.

✓ Apprentices who complete and are qualified, can transition straight into your permanent workforce - trained to your standards.

ELIGIBLE TRADES

Carpentry

Plumbing

Bricklaying

Electrical

Construction

and More...
